

KILLED FOR SPEAKING TRUTH TO POWER

To: His Majesty King Mswati III, Eswatini

Thulani Maseko was a loving father and husband who dedicated his life to the people of Eswatini, a country ruled by a wealthy absolute monarchy and where approximately 60% of the population live under the poverty line. Openly critical of the country's use of repressive laws and state violence, on 21 January 2023 Thulani was shot dead in front of his wife. To date no one has been held accountable.

We call on you to take all necessary measures to ensure the unlawful killing of Thulani Maseko is effectively investigated, the people suspected of responsibility are brought to justice in a fair trial and that Thulani's family is provided access to effective remedies.

Yours sincerely,
