# FACING YEARS IN PRISON FOR SPEAKING OUT

## To: President of Tunisia

In the two years since President Kais Saied's power grab, human rights in Tunisia have crumbled, many courts lack independence, and freedom of expression is under assault. Anyone who criticizes the president risks arrest and detention. But Chaima Issa is a woman who will not be silenced. After publicly opposing Kais Saied's actions, Chaima was arbitrarily arrested and detained for over four months. She faces decades in prison for her peaceful political activism.

We call on you to to immediately drop the baseless investigation and other restrictions against Chaima Issa as they are related solely to the exercise of her human rights.

Yours sincerely,
