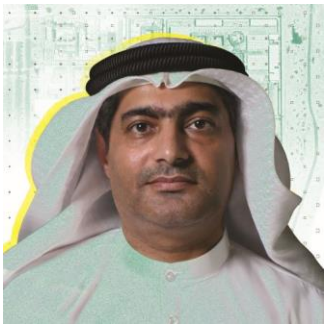
LOCKED UP FOR HUMAN RIGHTS WORK

To: President of the United Arab Emirates



Ahmed Mansoor is a father and husband. He's a poet, blogger and human rights defender. Before his arrest, Ahmed regularly raised concerns about the detention, torture and unfair trials of dissenting voices in the UAE. He spoke about problems within the justice system and of domestic laws that breach international ones. Now, he too is locked away, held in an isolation cell without a bed.

We call on you to immediately and unconditionally release Ahmed Mansoor as he has been imprisoned solely for his peaceful human rights activism.

Yours sincerely,
