

THREE DECADES ON DEATH ROW IN THE USA

To: Governor of Alabama

Rocky Myers, a Black man with an intellectual disability, has spent three decades on death row in Alabama for murder. Assigned ineffective legal representation, Rocky was convicted following testimonies blighted by inconsistencies and alleged police pressure. Sentenced to death by a judge who imposed a death sentence against the jury's wishes, Rocky was abandoned by his post-conviction lawyer, meaning he missed key dates for his appeal.

We call on you to use your authority to grant clemency to Rocky Myers and commute his death sentence.

Yours sincerely,
