

SASKATCHEWAN: HALT BILL 137

To:
Scott Moe, Premier of Saskatchewan
Jeremy Cockrill, Minister of Education

We are deeply concerned with Bill 137 - harmful education policy measures introduced in Saskatchewan. These measures are a direct attack on the rights of 2SLGBTQQIA+ communities in Saskatchewan as they limit access to gender affirming education and will impact the holistic health and wellness of the province's youth. We ask you to:

- Immediately put an end to Bill 137
- Listen to and consult with 2SLGBTQQIA+ communities, educators, and other experts to strengthen gender-affirming education in the province.
