

VISION, GOALS & GUIDING PRINCIPLES

VISION

Our vision is to create a people-powered, member-led AGM that sparks inclusive, intergenerational collaboration and strengthens our collective fight for human rights through transformative, face-to-face connections.

GUIDING PRINCIPLES

- 01** Foster places to balance well-being through rest and creativity.
- 02** Create an environment where there is space for diverse thoughts, ideas and strategies.
- 03** Make the learning space fun and inspiring through innovative approaches.
- 04** Reduce our environmental footprint through sustainable practices.
- 05** Welcome participation in all decision-making processes during the AGM.
- 06** Encourage active listening and participation through interactive activities.
- 07** Encourage active listening and participation through interactive activities.
- 08** Foster mutual respect among young leaders and activists by encouraging interactions with people from diverse backgrounds and of different perspectives.

GOALS

- 01** Invigorate youth to become today's and tomorrow's leaders in the human rights advocacy space.
- 02** Foster an environment for organic connections amongst activists to drive meaningful and impactful campaigns.
- 03** Promote accountability and democratic processes within the organization throughout the AGM and beyond.
- 04** Learn, ideate, and develop innovative campaign strategies that are adaptable to real-world challenges for the purposes of advancing human rights.
