

ALBERTA: HALT ANTI-2SLGBTQQIA+ POLICY MEASURES

To: Danielle Smith, Premier of Alberta

We are deeply concerned with the recent harmful sweeping anti-trans policy measures introduced in Alberta. These measures are a direct attack on the rights of 2SLGBTQQIA+ Albertans, and will limit access to social support services, gender affirming medical care and education.

We ask you to:

- Immediately put a stop to this harmful plan.
- Listen to and consult with 2SLGBTQQIA+ Albertans, educators, social service providers and medical professionals to strengthen gender-affirming policy measures in the province.

Yours sincerely,
